To give your pet the healthiest start possible, VCA Animal Hospitals will provide your newly adopted pet with the following:

Complimentary Health Exam

Call your nearest VCA Animal Hospital to schedule your complimentary health exam within 14 days of date of adoption. A VCA representative may also contact you to schedule your first appointment.

Complimentary 14-Day Follow-up Care*

for any of the following conditions (\$500 maximum coverage):

- Upper respiratory infections
- Diarrhea of infectious origin
- Internal parasites
- Ear and eye infections
- Suture removal
- Infectious tracheobronchitis (kennel cough)
- Vomiting of infectious origin
- Common skin disorders
- Urinary tract infections

Not included: Vaccinations, emergency and specialty veterinary services are not part of complimentary care. Congenital and inherited diseases or conditions are not covered. No coverage is offered for the treatment of canine parvovirus, FIP, feline leukemia, FIV, distemper, hepatitis or ringworm.

*The medical services identified above provided by VCA and CAPNA Animal Hospitals are covered up to \$500 during the first 14 days after adoption. This offer applies only to your qualifying adopted dog or cat and not to any other animals and redeemable only at a participating VCA Animal Hospital listed on this certificate. This certificate is void should you select another veterinary hospital for the initial examination of your adopted pet.
