## **INDEPENDENT AUDITORS' REPORT**

To the Board of Directors  
Houston Society for the Prevention of Cruelty to Animals  
Houston, Texas

### **Opinion**

We have audited the accompanying consolidated financial statements of Houston Society for the Prevention of Cruelty to Animals and subsidiary (collectively, the Organization), which comprise the consolidated statements of financial position as of December 31, 2021 and 2020, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of December 31, 2021 and 2020, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## Report on Consolidating Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating information on pages 25 through 30 is presented for purposes of additional analysis of the consolidated financial statements rather than to present the financial position, activities, and changes in net assets of the individual entities, and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The consolidating information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the consolidating information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

## **Houston Society for the Prevention of Cruelty to Animals**

### **Notes to Consolidated Financial Statements**

#### **Note 1: ORGANIZATION AND NATURE OF BUSINESS**

The consolidated financial statements of Houston Society for the Prevention of Cruelty to Animals includes Houston Society for the Prevention of Cruelty to Animals (Houston SPCA) and its wholly owned subsidiary, The Wildlife Center of Texas (The Wildlife Center) (collectively, the Organization). All significant inter-entity balances and transactions have been eliminated.

Houston SPCA was founded in 1924 and is the oldest and largest animal protection agency in the Gulf Coast area, providing sheltering, adoption, humane education, and cruelty relief services to more than 40,000 animals a year.

The Wildlife Center was formed in 1992 to meet the increasing need for wildlife assistance in the Greater Houston and Upper Gulf Coast. The mission of The Wildlife Center is to care for injured, ill, and orphaned wildlife through rehabilitation, public education, and release.

The Organization is funded primarily by donations.

#### **Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

##### ***Basis of Presentation***

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

##### ***Use of Estimates***

The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, the amounts of reported revenues and expenses, and the allocation of expenses among various functions. Management believes these estimates and assumptions provide a reasonable basis for the fair presentation of the consolidated financial statements. Actual results could vary from the estimates.

##### ***Cash and Cash Equivalents***

The Organization considers all highly liquid investments with initial maturities of three months or less at the time of purchase to be cash equivalents.

## Houston Society for the Prevention of Cruelty to Animals Notes to Consolidated Financial Statements

### Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### ***Promises to Give and Other Receivables***

Unconditional promises to give are recorded when the Organization receives notification of the pledge or promise to give. Amounts that are expected to be collected within one year are recorded at net realizable value. Amounts that are expected to be collected in future years are discounted to estimate the present value of future cash flows, if material. Management considers all outstanding receivables to be collectible. Accordingly, no allowance for doubtful accounts is considered necessary at December 31, 2021 and 2020.

#### ***Marketable Securities***

Marketable securities are recorded at fair value. Investment return includes interest, dividends, and realized and unrealized gains or losses. Investment return is reported in the consolidated statements of activities as an increase in net assets without donor restriction unless the use of the income is limited by donor-imposed restrictions. Investment return whose use is restricted by the donor is reported as an increase in net assets with donor restrictions until expended in accordance with the donor-imposed restrictions.

#### ***Concentration of Credit Risk***

At times throughout the years, the Organization may maintain certain bank accounts in excess of the Federal Deposit Insurance Corporation insured limits. The Organization has not experienced any losses from maintaining cash accounts in excess of the federally insured limit. Management believes that it is not exposed to any significant credit risk on cash accounts due to the strength of the financial institutions in which the funds are held.

As of December 31, 2021 and 2020, amounts due from three donors accounted for 92% and 78%, respectively, of outstanding promises to give.

#### ***Property and Equipment***

Property and equipment are recorded at cost if purchased, or in the case of donated property, at the estimated fair market value at the date of donation. The Organization capitalizes all expenditures for property and equipment in excess of \$1,000.

Depreciation is provided by the straight-line method over the following useful lives:

Building and improvements	30-40 years
Property improvements	20 years
Furniture and equipment	3-10 years

Routine maintenance, repair, renewal and replacement costs are charged against operations in the year incurred. Expenditures, which materially increase values or extend useful lives of property and equipment, are capitalized.

## **Houston Society for the Prevention of Cruelty to Animals**

### **Notes to Consolidated Financial Statements**

#### **Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

##### ***Long-Lived Assets***

Long-lived assets are evaluated for impairment in accordance with generally accepted accounting principles, which requires that long-lived assets be reviewed for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable based on expected undiscounted cash flows attributable to that asset. This review requires significant judgments both in assessing events and circumstances as well as estimating future cash flows. Should events indicate that any of the assets are impaired, the amount of such impairment will be measured as the difference between the carrying value and the fair value of the impaired asset and the impairment will be recorded in earnings during the period of such impairment. Management believes no impairment has occurred with respect to long-lived assets at December 31, 2021 and 2020.

##### ***Deferred Revenue***

Deferred revenue represents sponsorships for fundraising events set to occur in a future period. Deferred revenue is recognized as revenue in the year the fundraising event is held.

##### ***Compensated Absences***

Compensated absences for sick, personal, and vacation time have not been accrued since they cannot be reasonably estimated. The Organization's policy is to recognize these costs when actually paid.

##### ***Fair Value Considerations***

Cash and cash equivalents, promises to give, receivables, marketable securities, and payables are carried in the accompanying consolidated statements of financial position at amounts which reasonably approximate fair value because of their short term nature. Based on market interest rates for similar loans, the fair value of long-term debt approximates their carrying value.

##### ***Net Assets***

The Organization reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors: net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions are resources available to support operations and not subject to donor restrictions. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of the Organization, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Net assets with donor restrictions are resources that are subject to donor-imposed restrictions. Some restrictions are temporary in nature, such as those that are restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature; such as those that are restricted by a donor that the resources be maintained in perpetuity.

## Houston Society for the Prevention of Cruelty to Animals Notes to Consolidated Financial Statements

### Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the consolidated financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions.

#### ***Revenue and Revenue Recognition***

Program fees collected for admissions, adoptions, and other programs (which are recorded as fees for services and other income in the consolidated statements of activities) are accounted for under ASC Topic 606, *Revenue from Contracts with Customers* (ASC 606) as exchange transactions, and revenue is recognized when the performance obligations under the terms of the contracts with customers are satisfied. Revenues from admissions and adoptions are recognized at the point in time the service is provided. Revenue from Critter Camp is recognized when the camps are held. Revenue from the Organization's partnership with a university for their veterinary program is recognized over time, as the program is conducted by the Organization each school year which spans over two of the Organization's fiscal years. Revenue for this program is recorded in other income in the consolidated statements of activities, and totaled \$608,356 and \$522,710 for the years ended December 31, 2021 and 2020, respectively. Receivables due from the university totaled \$386,367, \$393,194 and \$116,459 at December 31, 2021 and 2020 and January 1, 2020, respectively.

Contributions are recognized when cash, other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been met or the donor has explicitly released the restriction.

The Organization's contributions are considered to be available without restrictions unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as net assets with donor restrictions. When a donor stipulated time restriction ends or stipulated purpose is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. For the year ended December 31, 2021, two donors accounted for 25% of contributions in total. For the year ended December 31, 2020, one donor accounted for 18% of contributions.

Fundraising revenue, which includes the Organization's annual gala, represents the amounts paid by donors, sponsors, and attendees of fundraising events. Ticket sales include elements of both contributions and exchange transactions and are recognized when an event occurs. Cost of direct donor benefits provided represents the costs of goods and services provided in exchange for the amount paid by event attendees. The cost of direct donor benefits provided for the year ended December 31, 2021 was \$59,387. There were no significant fundraising revenues earned and no direct donor benefits provided for the year ended December 31, 2020, as events were canceled due to the COVID-19 pandemic.

## Houston Society for the Prevention of Cruelty to Animals Notes to Consolidated Financial Statements

### Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### ***Donated Materials and Services***

The Organization recognizes donated materials and services at their fair value when an unconditional commitment is received from the donor. The related expense for donated materials is recognized as the item is used. The related expense for donated services is recognized in the period received if the services received create or enhance nonfinancial assets that require specialized skills and are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. For the years ended December 31, 2021 and 2020, the Organization recognized animal food expenses donated of approximately \$338,000 and \$208,000, respectively, and technical support and software donated of approximately \$17,000 and \$21,000, respectively.

A substantial number of unpaid volunteers make significant contributions of their time to develop the Organization's programs. The value of the contributed time is not reflected in these consolidated financial statements because it does not require a specialized skill or create or enhance a nonfinancial asset.

#### ***Functional Allocation of Expenses***

Directly identifiable expenses are charged to program and supporting services. Expenses that are allocated are personnel expenses, which are allocated on the basis of estimates of time and effort; technology and other administrative support, which are allocated based on the users of computers and phones; insurance, which is allocated based on average headcount; depreciation, maintenance and security, and utilities, which are allocated based on the departments benefiting from the costs; and vehicles, which are allocated based on the departments using the vehicles.

#### ***Advertising Costs***

The Organization uses advertising through television, radio and other media to promote its programs in the area it serves. Advertising costs are expensed as incurred. Advertising expense for the years ended December 31, 2021 and 2020, totaled \$130,109 and \$6,356, respectively.

#### ***Federal Income Taxes***

The Houston SPCA and The Wildlife Center are not-for-profit organizations that are exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Therefore, no provision for federal income tax has been made in these consolidated financial statements.

The Organization utilizes the accounting requirements associated with uncertainty in income taxes using the provisions of Financial Accounting Standards Board (FASB) ASC 740, *Income Taxes*. Using that guidance, tax positions initially need to be recognized in the consolidated financial statements when it is more-likely-than-not the positions will be sustained upon examination by the tax authorities. It also provides guidance for recognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. As of December 31, 2021 and 2020, the Organization has no uncertain tax provisions that qualify for recognition or disclosure in the consolidated financial statements.

## Houston Society for the Prevention of Cruelty to Animals Notes to Consolidated Financial Statements

### Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### *Subsequent Events*

Management has evaluated subsequent events through the date that the consolidated financial statements were available to be issued, June 15, 2022. See Notes 6 and 7 for relevant disclosures. No subsequent events occurring after this date have been evaluated for inclusion in these consolidated financial statements.

#### *Accounting Standards Not Yet Adopted*

In February 2016, the FASB issued ASU 2016-02, Leases (Topic 842). The guidance in this ASU and its amendments supersedes the leasing guidance in Topic 840, entitled Leases. Under the guidance, lessees are required to recognize lease assets and lease liabilities on the consolidated statements of financial position for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the consolidated statements of activities. For nonpublic entities, the standard is effective, as amended, for fiscal years beginning after December 15, 2021. Early adoption is permitted. The Organization is currently evaluating the impact of the guidance on its consolidated financial statements.

In September 2020, the FASB issued ASU 2020-07, Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets. The amendments in this update apply to Not-for-Profit entities that receive contributed nonfinancial assets. Under the guidance, entities are required to (1) present contributed nonfinancial assets as a separate line item in the consolidated statement of activities, apart from contributions of cash and other financial assets and (2) disclose a disaggregation of the amount of contributed nonfinancial assets recognized within the consolidated statements of activities by category that depicts the type of contributed nonfinancial assets and certain qualitative information. This new guidance is required to be applied on a retrospective basis and is effective for annual periods beginning after June 15, 2021. Early adoption is permitted. The Organization is currently evaluating the impact of the guidance on its consolidated financial statements.

### NOTE 3: LIQUIDITY AND AVAILABILITY OF RESOURCES

The Organization has a strong financial base with access to liquid funds. The Organization has \$24,210,456 available to meet cash needs, with \$21,083,752 of liquid financial assets and \$3,126,704 of available Line of Credit with Cadence Bank as of December 31, 2021. The Organization has \$19,465,005 available to meet cash needs, with \$17,585,819 of liquid financial assets and \$1,879,186 of available Line of Credit with Cadence Bank as of December 31, 2020. The Organization has been able to achieve this strong position over the years by investing its cash in excess of daily requirements into a balance portfolio of marketable securities. The marketable securities are designed to fund the long-term needs of the Organization, but can be made immediately available if an unforeseen liquidity need emerged.

The following table reflects the Organization's financial assets (cash and cash equivalents, receivables and marketable securities) as of December 31, 2021 and 2020, reduced by amounts not available for general expenditures within one year.

## Houston Society for the Prevention of Cruelty to Animals Notes to Consolidated Financial Statements

### NOTE 3: LIQUIDITY AND AVAILABILITY OF RESOURCES (Continued)

<i>December 31,</i>	2021	2020
Total financial assets		
Cash and cash equivalents	\$ 1,665,270	\$ 2,056,179
Promises to give	2,364,312	3,728,101
Other receivables	436,572	442,530
Marketable securities	20,145,598	16,196,473
Less those unavailable for general expenditure within one year due to:		
Promises to give restricted to capital, current and long-term	(2,278,908)	(3,588,244)
Marketable securities restricted to capital campaign	(27,768)	(27,896)
Marketable securities restricted to endowment - perpetual in nature	(1,221,324)	(1,221,324)
<b>Amounts available for general expenditures within one year</b>	<b>\$ 21,083,752</b>	<b>\$ 17,585,819</b>

### Note 4: PROMISES TO GIVE

Promises to give consist of the following:

<i>December 31,</i>	2021	2020
Due in less than one year	\$ 1,460,068	\$ 1,873,858
Due in one to five years	904,244	1,854,243
	<b>\$ 2,364,312</b>	<b>\$ 3,728,101</b>

### Note 5: INVESTMENTS AND FAIR VALUE MEASUREMENTS

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

*Level 1:* Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

*Level 2:* Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
  - observable; or
  - can be corroborated by observable market data.

## Houston Society for the Prevention of Cruelty to Animals Notes to Consolidated Financial Statements

### Note 5: INVESTMENTS AND FAIR VALUE MEASUREMENTS (Continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Corporate stocks:* Valued at the closing price reported on the active market on which the individual securities are traded.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Organization are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Organization are deemed to be actively traded.

*Corporate bonds:* Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

*Asset-backed securities and U.S. government or agency obligations:* Valued using recent executed transactions and market price quotations and asset-backed securities which are valued by the custodian using pricing models that utilize variables such as yield curves, prepayment speeds, default rates, loss severity, interest rate volatilities and spreads.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

Management evaluated the significance of transfer between levels based upon the nature of the financial instrument and size of the transfer relative to total assets. For the year ended December 31, 2021, there were no significant transfers in or out of Levels 1, 2 or 3.

## Houston Society for the Prevention of Cruelty to Animals Notes to Consolidated Financial Statements

### Note 5: INVESTMENTS AND FAIR VALUE MEASUREMENTS (Continued)

The values of assets measured at fair value on a recurring basis are as follows:

	Quoted Market Prices in Active Markets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	Total
<b>December 31, 2021</b>				
Cash and money market funds	\$ 1,253,954	\$ -	\$ -	\$ 1,253,954
Corporate stocks	14,861,456	-	-	14,861,456
Mutual funds	2,005,136	-	-	2,005,136
Corporate bonds	-	669,843	-	669,843
Asset-backed securities	-	220,448	-	220,448
U.S. government or agency obligations	-	1,134,761	-	1,134,761
	<b>\$ 18,120,546</b>	<b>\$ 2,025,052</b>	<b>\$ -</b>	<b>\$ 20,145,598</b>
<b>December 31, 2020</b>				
Cash and money market funds	\$ 705,068	\$ -	\$ -	\$ 705,068
Corporate stocks	11,816,066	-	-	11,816,066
Mutual funds	1,905,818	-	-	1,905,818
Corporate bonds	-	682,396	-	682,396
Asset-backed securities	-	369,539	-	369,539
U.S. government or agency obligations	-	717,586	-	717,586
	<b>\$ 14,426,952</b>	<b>\$ 1,769,521</b>	<b>\$ -</b>	<b>\$ 16,196,473</b>

The Houston SPCA holds certain investments with UBS Financial Services, Inc. to be held for the exclusive benefit of the Houston SPCA. The Houston SPCA retains all rights to these funds and paid administrative fees totaling \$79,783 and \$67,362, for the years ended December 31, 2021 and 2020, respectively.

Investments are exposed to various risks such as interest rate risk, market and credit risks. Because of these risks, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the consolidated statements of financial position and the consolidated statements of activities.

## **Houston Society for the Prevention of Cruelty to Animals**

### **Notes to Consolidated Financial Statements**

#### **Note 6: PAYROLL PROTECTION PROGRAM LOAN**

In May 2020, Houston SPCA received \$1,137,847 in loan proceeds under the Payroll Protection Program (PPP Loan). In June 2021, the Organization received full forgiveness of principal and interest on the PPP Loan. Gain on forgiveness of the loan is recorded as revenue in the accompanying consolidated statements of activities and is also shown as a noncash reconciling item to changes in net assets in the operating section of the consolidated statements of cash flows.

In February 2021, the Organization received a second PPP loan in the amount of \$1,147,319. The loan accrues interest at a rate of 1% per annum and has a maturity date of May 2026. The loan and accrued interest are forgivable as long as the borrower uses the loan proceeds for eligible purposes including payroll, benefits, rent and utilities, and maintains its payroll levels. Amounts not forgiven, if any, will be payable in equal installments of principal and interest. The balance on the second PPP loan was \$1,147,319 as of December 31, 2021 and has been classified as a current liability in the accompanying consolidated statements of financial position under the presumption the entire balance will be fully forgiven. Houston SPCA filed its application for forgiveness with the lender, and on May 25, 2022, received full forgiveness from the SBA. The amount of loan forgiveness will be reported as a component of revenue in 2022.

#### **Note 7: LINE OF CREDIT**

On June 15, 2016, Houston SPCA entered into a revolving line of credit agreement with Cadence Bank totaling \$10,000,000 to finance the construction of certain real property in Houston, Texas. The line of credit is collateralized by property owned by Houston SPCA in Harris County, Texas. Borrowings under the credit agreement bear interest at the greater of the effective index rate or 3.50%, and are payable monthly. The line of credit was extended in December 2020, with borrowings bearing an interest rate at a fixed rate of 3.125%. The line of credit, as amended, matures on December 10, 2025, when all outstanding principal is due. Funds will be drawn as needed. The terms of the line of credit require Houston SPCA to comply with certain reporting and financial covenants. As of December 31, 2021, and 2020, \$6,873,296 and \$8,120,814 is outstanding on the line of credit, respectively. The line of credit balance was paid in full in April 2022 from the receipt of a large contribution.

#### **Note 8: LONG-TERM DEBT**

Houston SPCA had a note payable agreement with Cadence bank for \$3,000,000 with an annual interest rate of 3.80%. The loan had a maturity date of June 15, 2023 and was secured by all property owned by the Houston SPCA in Harris County, Texas. Interest only payments were due each month through the maturity date along with annual principal reduction payments of \$316,668 per the terms of the agreement. Unpaid interest and principal were due at maturity. The note payable was paid in its entirety in December 2020 for \$1,899,997 using borrowings on the line of credit.

## Houston Society for the Prevention of Cruelty to Animals Notes to Consolidated Financial Statements

### Note 9: NET ASSETS RELEASED FROM RESTRICTIONS

Net assets totaling \$254,555 and \$698,082 were released from donor restrictions related to capital projects for the years ended December 31, 2021 and 2020, respectively. An additional \$260,771 and \$340,304 were released from donor restrictions by incurring expenses satisfying the restricted purpose or by occurrence of events specified by the donors for the years ended December 31, 2021 and 2020, respectively.

### Note 10: NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are available for the following purposes:

<i>December 31,</i>	<b>2021</b>	<b>2020</b>
Subject to expenditure for specific purpose		
Disaster relief	\$ 533,877	\$ 577,493
Programs	796,368	430,352
Subject to the Organization's spending policy and appropriation -		
Perpetual endowment fund	<b>1,221,324</b>	1,221,324
	<b>\$ 2,551,569</b>	<b>\$ 2,229,169</b>

### Note 11: ENDOWMENT

The Organization has donor-restricted endowment funds which are maintained in accordance with explicit donor stipulations. The Organization is subject to the Texas Uniform Prudent Management of Institutional Funds Act (TUPMIFA) which has been enacted by the State of Texas. The management of the Organization has interpreted TUPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of the interpretation, the Organization classifies as net assets with donor restriction - perpetual in nature (a) the original value of gifts donated to the donor-restricted endowment, (b) the original value of subsequent gifts to the donor-restricted endowment, and (c) accumulation to the donor-restricted endowment made in accordance with the direction of the applicable donor gift at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified as net assets donor restricted - perpetual in nature is available for expenditure and appropriated by the Organization in a manner consistent with the standard of prudence prescribed by TUPMIFA.

In accordance with TUPMIFA, the Organization considers the following factors in making determination to appropriate accumulated donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Organization and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation

## Houston Society for the Prevention of Cruelty to Animals Notes to Consolidated Financial Statements

### Note 11: ENDOWMENT (Continued)

- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Organization
- (7) The investment policies and objectives of the Organization

The Walter O. Caldwell, Jr. Fund Endowment and Melvin Davis Fund Endowment (collectively, the "Endowments") were established to support the Organization and its mission into the future. These Endowments are held with UBS. It was the Board of Directors' objective not to be involved in the day-to-day investing of funds and to rely on the expertise of the UBS and their investment policy, objectives and guidelines. Under this policy, the endowment assets are invested in accordance with the investment polices approved by the Board of Directors.

From time to time, the fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor requires the Organization to retain as a fund of perpetual duration. No deficiencies of this nature exist as of December 31, 2021 and 2020.

The Houston SPCA's Board of Directors has established an Investment Portfolio Strategy policy. The Houston SPCA Investment and Finance Committees review the distribution policy at least annually and make recommendations to the Board of Directors based on their review. This policy does not include the Capital Campaign Fund or the Caldwell Fund.

Endowment net assets consisted of the following:

<i>December 31,</i>	<b>2021</b>	<b>2020</b>
Net assets without donor restrictions	\$ 19,363	\$ 15,874
Donor-restricted endowment funds - original donor restricted gift amount required to be retained by the donor	<b>1,221,324</b>	1,221,324
	<b>\$ 1,240,687</b>	<b>\$ 1,237,198</b>

## Houston Society for the Prevention of Cruelty to Animals Notes to Consolidated Financial Statements

### Note 11: ENDOWMENT (Continued)

Changes in endowment net assets are as follows:

	Without Donor Restrictions	With Donor Restrictions	Total
<b>Endowment net assets, January 1, 2020</b>	\$ 14,686	\$ 1,221,324	\$ 1,236,010
Contributions	-	-	-
Investment return			
Investment income	1,188	-	1,188
Amounts appropriated for expenditure	-	-	-
<b>Endowment net assets, December 31, 2020</b>	\$ 15,874	\$ 1,221,324	\$ 1,237,198
Contributions	-	-	-
Investment return			
Investment income	3,489	-	3,489
Amounts appropriated for expenditure	-	-	-
<b>Endowment net assets, December 31, 2021</b>	<b>\$ 19,363</b>	<b>\$ 1,221,324</b>	<b>\$ 1,240,687</b>

### Note 12: DEFINED CONTRIBUTION PLAN

The Organization provides a defined contribution plan under Section 403(b) of the Internal Revenue Code. Under the plan, eligible employees may contribute up to eighty-five percent of their salary but not to exceed the legal limit. The Organization's match is equal to fifty percent of employee contributions up to a maximum contribution of three percent of the participant's compensation. Organization contributions totaled \$46,926 and \$44,609 for the years ended December 31, 2021 and 2020, respectively.

### Note 13: UNCERTAINTIES

In March 2020, the World Health Organization made the assessment that the outbreak of a novel coronavirus (COVID-19) can be characterized as a pandemic. As a result, uncertainties have arisen that may have a significant negative impact on the operating activities and results of the Organization. The occurrence and extent of such an impact will depend on future developments, including (i) the duration and spread of the virus, (ii) government quarantine measures, (iii) voluntary and precautionary restrictions on travel or meetings, (iv) the effects on the financial markets, and (v) the effects on the economy overall, all of which are uncertain.
